

**GED2119: Environmental Humanities – The Plasticene.**

Assignment: You have one week to fill below page with every example of disposable plastic you buy, use, encounter, or throw away in this period of time. Carry this paper on you. Handwrite your encounters. You may use both sides of the paper.

The image consists of a grid of 3 columns and 3 rows of black dots. The dots are arranged in a 3x3 pattern. Each column contains 3 dots, and each row contains 3 dots. The dots are evenly spaced both horizontally and vertically.

*“Only we humans make waste that nature can’t digest.”*  
—Captain [Charles J. Moore](#)

Evander Price (2025)
